## OBJECTIONS ARE ALL OVERRULED

PROSECUTION WINS MATERIAL POINT IN TRIAL OF BROWNE.

White is Corroborated By Testimony of Beckemeyer and Myers—Tells How Browne Offered Money.

DEFENSE PROMISES A BOMB

Chicago, June 17.—Fourteen objections by the defense against the admission of the testimony of Representatives Myers, Link and Beckemeyer, in Lee O'Neill Browne's sensational bribery trial, were overruled by Judge McSurley today, after five hours of argument. This is regarded as a victory for the prosecution, as it permitted the first corroborative evidence in support of the

"confession" of Representative White, that he had been paid \$1,000 for voting for Senator Lorimer. Myers was the first witness for the state. His testimony was in effect that Browne called him on the day of the election of Lorimer and asked for his vote, saying there were lots of jobs and plenty of "the ready" for those who voted for Lorimer.

H. J. C. Beckemeyer, of Carlyle, Ill., then corroborated White in every material point. He said he had been called to St. Louis as White had been and there was handed a "package" by Browne, who remarked: "There is your Lorimer money." He said he opened the "package" and found \$1,000 in \$50 bills.

The alleged payment of \$1,000 to Beckemeyer was made on June 21, 1909, at the Southern hotel in St. Louis, the same day on which White declared the money had been distributed. Beckemeyer said that was the day he saw Representative Robert E. Wilson, Joseph S. Clark and Charles L. Uke in St. Louis. Michael S. Link, who made "confession No. 3," will give his testimony tomorrow.

The defense today promised to spring a bomb in the form of a con-

fession on its side of the case. Attorney E. C. Erbstein, counsel for Browns, returned from a trip out of town and declared that he had found a witness who confessed entering into a plot with White to obtain money from Browne and Lorimer.

MAY RETIRE JUSTICE MOODY. Has Not Served Allotted Time, But Ill Health Gives Cause.

Washington, June 16.—Senator Lodge introduced a bill permitting Associate Justice Moody, of the United States supreme court to retire from office with full pay, notwithstanding he has not served ten years, nor is he 70 years of age, as required under existing law. Mr. Moody's health is given as the reason. The Moody bill is based upon the condition that Mr. Moody shall retire within six months. Senator Lodge said the purpose of the measure was to vacate the seat by the beginning of the next term of court so that the vacancy might be filled. He said the measure was generally favored and he expressed the opinion that it would become law before the adjournment of congress.
